This year's Awards Team would like you to participate in the selection of our award recipients through your nominations! All nominees will be considered by the committee, regardless of the number of nominations any individual receives. Recipients may receive each of the awards from Forest View PTA over their lifetime of service, but may not be nominated for the same award more than once. (Past recipients are listed on the back of this sheet.)

For confidentiality, please return nominations in a sealed envelope marked "PTA Awards" no later than Tuesday, March 31st or fill out this form online at <https://forms.gle/fNkPpTrTuAcCMhLW7>
You may nominate more than one person, but each nominee needs a separate form.

GOLDEN ACORN AWARD: This award is for recognition of a volunteer who has given outstanding service to all children in the school community... not just an individual who has donated time to help in his / her child's class. It is to recognize volunteer service "above and beyond" the normal scope or responsibilities of a particular job, project, or team and honors those who have given exemplary service to children and youth.

OUTSTANDING EDUCATOR AWARD: This award is to recognize individuals who go beyond the normal expectations of their jobs to make the learning environment fun, beneficial, and challenging. It is for innovative and enthusiastic educators who offer programs or activities that enhance the "normal" education of students. An outstanding educator can be a teacher, specialist, paraeducator, support staff member, or administrator.

OUTSTANDING ADVOCATE AWARD: This award is to recognize and honor individuals for continued and dedicated service to ALL children and their demonstrated commitment to helping create strong policies relating to the health, welfare, safety, and education of children and youth. An outstanding advocate could be a leading/key PTA advocate, teacher, assistant, administrator, or community member.

HONORARY LIFETIME MEMBERSHIP AWARD: This award is presented to an individual who has made a significant contribution to the growth and development of the PTA. In every PTA, there are individuals who have volunteered their time to help build the PTA into an effective organization. This special recognition is a PTA's "thank you" to those people for their time, effort, and strong belief in the PTA.
