

Forest View PTA Membership

<https://fvepta.givebacks.com/store>

Every Forest View PTA annual membership contributes to improving every student's experience at Forest View Elementary. Each PTA membership also serves as a legislative voice, strengthening our ability to fight for legislation that impacts our students and schools. Student members, along with their families, are encouraged. PTSA membership looks great on college and scholarship applications! Our PTA helps organize student enrichment activities, family events, faculty/staff grants, staff appreciation events, community outreach efforts, and more.

We encourage you to purchase your PTA membership online,

PTA Memberships:

Local PTA memberships provide us with a voice at the National PTA level to advocate for our students through the establishment of vital programs and the legislation. Members receive our Forest View PTA newsletter, plus discounts for products and services from PTA partners! We offer Individual Memberships (\$13), Two-Adult Memberships (\$22), and Forest View Faculty/Staff (\$11) Memberships. For more information visit our [FVPTA Membership webpage](#).

Your Membership Matters:

PTA membership and dues support your child by funding essential educational and curriculum needs, coordinating family and community-building events, advocating on behalf of children and educators at the local, state, and national levels, helping celebrate Forest View staff members, and building an inclusive community for all families.
